

Activation

A diagram illustrating the ELU (Exponential Linear Unit) activation function. It consists of two rectangular boxes, one at the top and one at the bottom, both with thick black borders. The top box contains the word "Activation" in a large, black, serif font. The bottom box contains the letters "ELU" in the same font. A vertical black arrow points upwards from the center of the bottom box to the center of the top box, indicating the flow of the activation function.
